- 13:30 Close and depart

Wednesday 5<sup>th</sup> February 2014

The Teacher Scientist Network, (TSN) is organising the 2014 Health and Life Science Career Convention to be held at the John Innes Centre Conference Centre on Wednesday 5<sup>th</sup> February aimed at students from Year 9 & upwards from across Norfolk. This change is in response to teacher feedback and we feel our mixed programme can satisfy different ages.

Via a collection of hands-on activities and a 'meet-a-scientist' question time event we will provide a unique opportunity for students to learn about both the opportunities for careers in this area and meet real people from across the Norwich Research Park who have chosen to pursue a variety of careers paths in these industries.

Book your places now at this FREE event - places are limited to 35 per school so as teachers you will need to select those students that you think will benefit most from this unique experience. The event starts at 09:45 and will finish by 13:30. We also have available grants to help with transport costs - we hope to see as many schools as possible represented - please contact us for more details.

To book your place please send a cheque for £100 payable to Norfolk County Council and state the number of places you wish to book. The cheque is a returnable deposit which will only be cashed in the event of a school cancelling within 2 weeks of the event. Send cheques and a booking request to Teacher Scientist Network, John Innes Centre, Norwich Research Park, Colney, NORWICH, NR4 7UH.

*Science poses questions all the time, come & ask yours about a career in this exciting sector*

Event supported by  **Norfolk** County Council
